Model 0363

METAL/WOOD

Model 0363

Two-Way Travel Slide

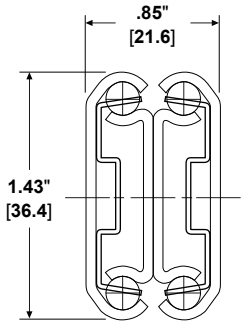

Detent and sequencing design ensures proper slide function.

Model 0363 offers a unique dual-access solution for industrial, commercial, institutional, and residential projects. This product is suitable for medical carts or interior and exterior access drawers or trays such as those used for drive- through pharmacies or banks. In residential applications, it is a good choice for kitchen islands and dining or entertainment bars.

Features & Benefits

- **Two-way travel** provides easy access from either side of the case or cabinet.
- **Full extension** in both directions from center point allows complete access to contents.
- **100-lb. load rating**
- **Hold-in detent** at center point keeps drawers or trays in position until use.
- **Non-disconnect** prevents removal of conveyances
- **Tested to 80,000 cycles**

RoHS COMPLIANT
