Quality Products. Service Excellence.

10-32 Rack Screw *1421D Series*

Features

- Slotted & phillips combination pan head screws
- Use where economy is important OR for close spacing.
  - Example: multiple 1.75" (1U) panels are mounted next to each other (as cup washers will interfere with each other)
- Zinc plated

Part No.	Qty Included	Screw Length
1421D	25 screws	0.50
1421D100	100 screws	0.50
