KNM/KNMS (Male) KNF/KNFS (Female) Knurled Knob

■Characteristic

Made of all metal material, it stands for a severe use.

■Note

Edge of the screw for KNM will be rounded end.

■Application

Machine tools / Jigs and tools / Telecommunication devices / Office automation appliances / Measuring instruments, etc.

■Specification

Model No.	Material	Finish
KNM/KNF	SUM22L	Cr
KNMS/KNFS	SUS303	Buffing

●How To Order KNM and KNMS Types

KNMS-16-M4-10
Screw Length
