Reversible USB Cables

FINALLY! A Simple USB Connection!

Stop fumbling around with your computer trying to plug in USB devices. Tripp Lite's reversible USB 2.0 cables take the guesswork out of USB connections. Unlike traditional USB cables that can only be attached one way, these cables feature a uniquely designed reversible type A connector that plugs into a USB port in either direction, making connections easier and faster. Available in a variety of lengths and connector types, these cables are perfect for connecting scanners, printers, external hard drives, MP3 players, smartphones, digital cameras and other USB devices.

Key Features

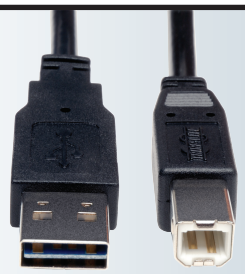

- Reversible type A connector allows plugging in any direction
- Support transfer rates of up to 480 Mbps
- Available in lengths of up to 10 feet
- Available with micro and mini connector types
- Available with space-saving, right-angle connectors
- Backward compatible with older USB 1.1 devices
- RoHS-compliant designs with lifetime warranties

Plug It In Either Way!

Tripp Lite Reversible USB Cable Selection Guide

Model Number	Type	Length	Connectors
